(Figure 13: Enter the OTP code you will receive on your preferred Authentication method selected during Account activation)

Once you click on “Verify”, you will be taken to the Alumni Talent on Demand Dashboard. (Fig. 14)

Hurray!!! You have logged in to the application successfully

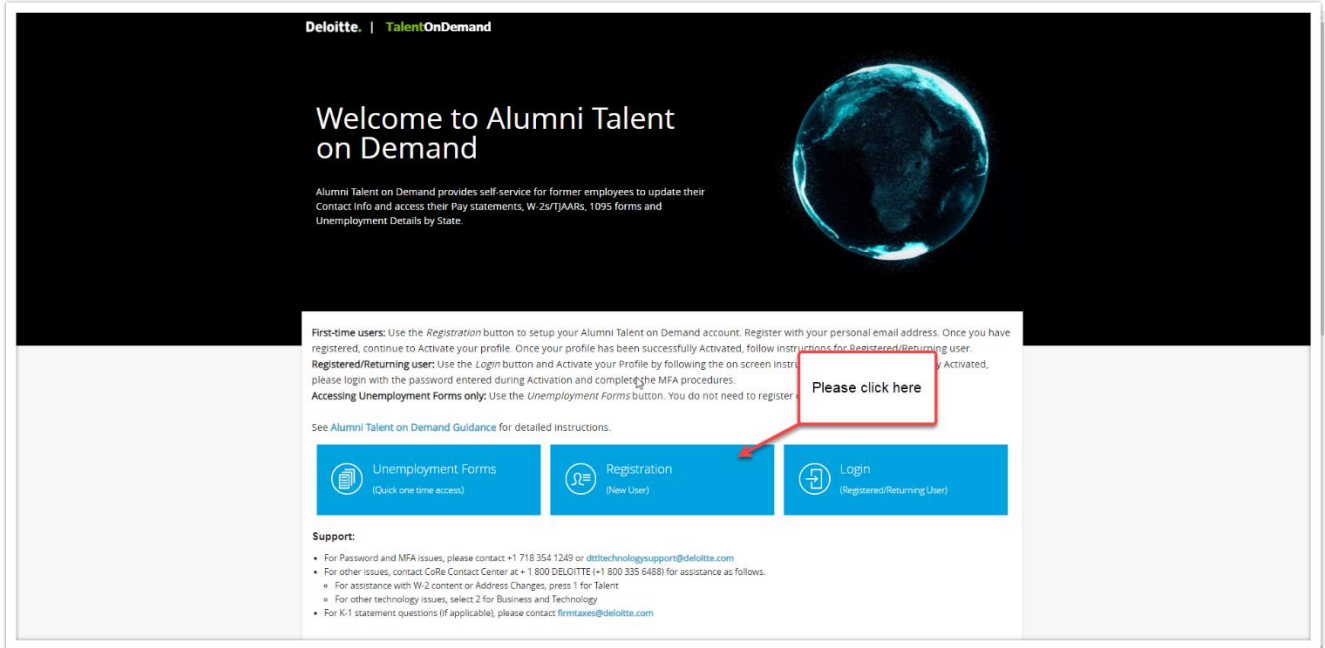

(Figure 14: Alumni Talent on Demand dashboard page)

Scenario 2: New Registration + Login

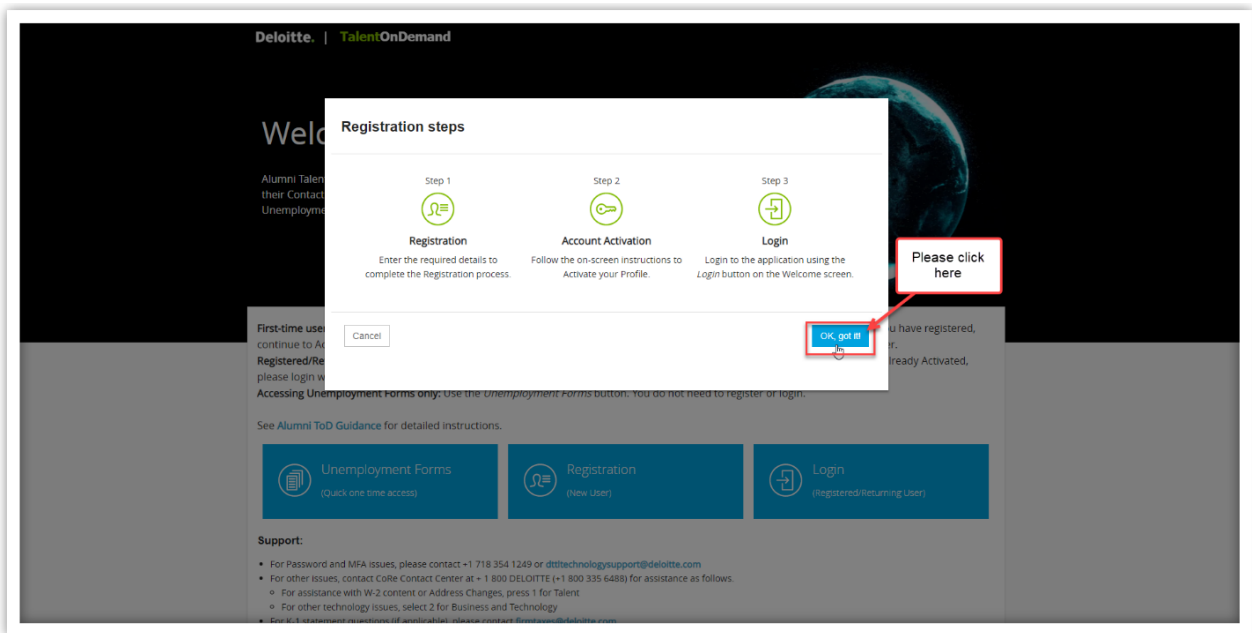

(NOTE: DO NOT use Deloitte provided devices to access Alumni Talent on Demand)

Step 1: Access Alumni Talent on Demand for Registration

From your computer/mobile, open any browser and go to <https://external.talentedemand.deloitte.com/registration/index> (Fig. 15)

(Figure 15: Alumni Talent on Demand Welcome screen - Registration)

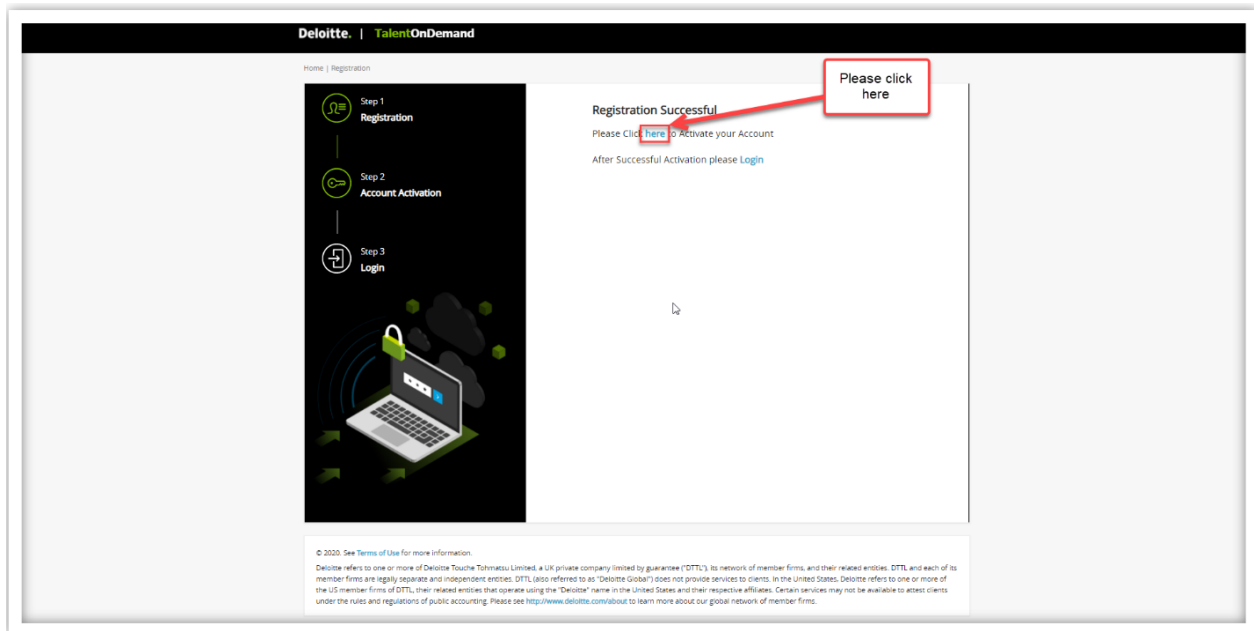

(Figure 16: Registration steps)

Enter your details in the Registration screen and click the submit button. (Fig. 17)

The screenshot shows the 'Registration - Deloitte Alumni' form. On the left, a vertical progress bar indicates three steps: Step 1 Registration (active), Step 2 Account Activation, and Step 3 Login. The form fields include: Personal Email (with a sub-field 'Enter your Personal Email Address'), Confirm Personal Email (with a sub-field 'Confirm Personal Email Address'), Legal First Name (with a sub-field 'Enter Legal First Name'), Legal Last Name (with a sub-field 'Enter Legal Last Name'), Date of Birth (with a sub-field 'Enter Date of Birth' and a calendar icon), and Last four digits of SSN (with a sub-field 'Enter SSN'). A checkbox for 'I have read and accept the Deloitte's Personnel Privacy Notice and Terms of Use' is present. A blue 'Submit' button is at the bottom right. A mouse cursor is visible over the button.

(Figure 17: Registration form)

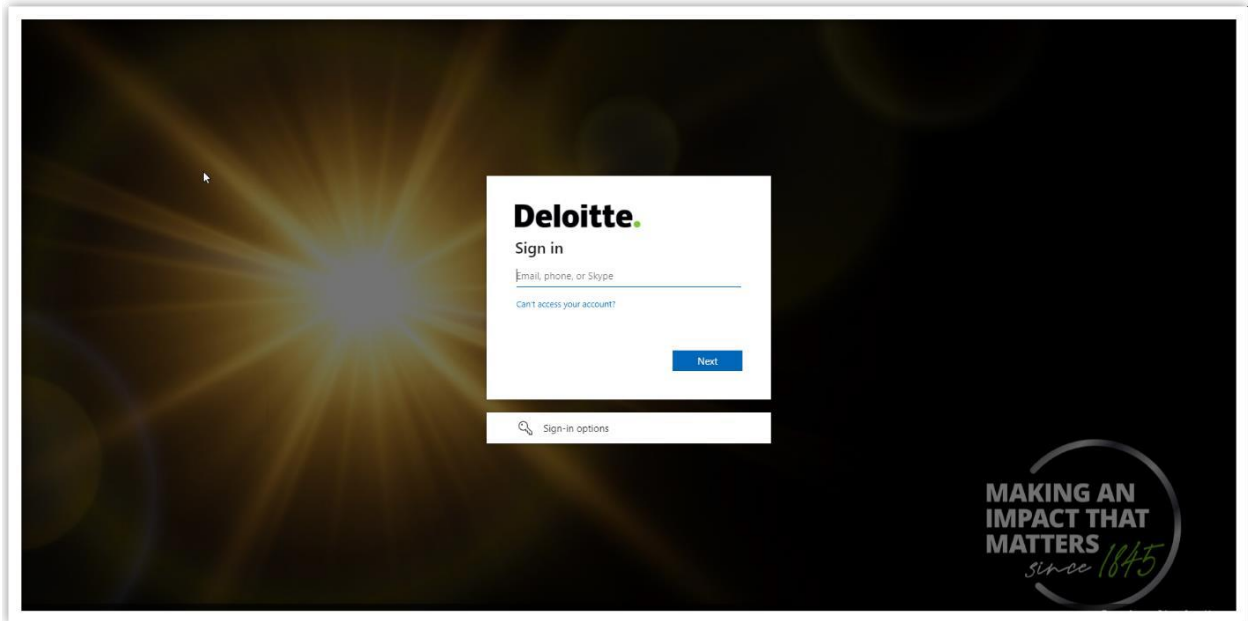

After successful registration, you will Receive a Successful Registration message with two links. (Fig. 18)
Click on the link highlighted in the word "Here". This will take you to the activation page in a new Tab.

(Figure 18: Successful Registration)

Step 3: Activating your Account

Enter the email Address you have registered with and click on the "Next" button (Fig. 19) and then click on the "Work or school account" option (Fig 19.2).

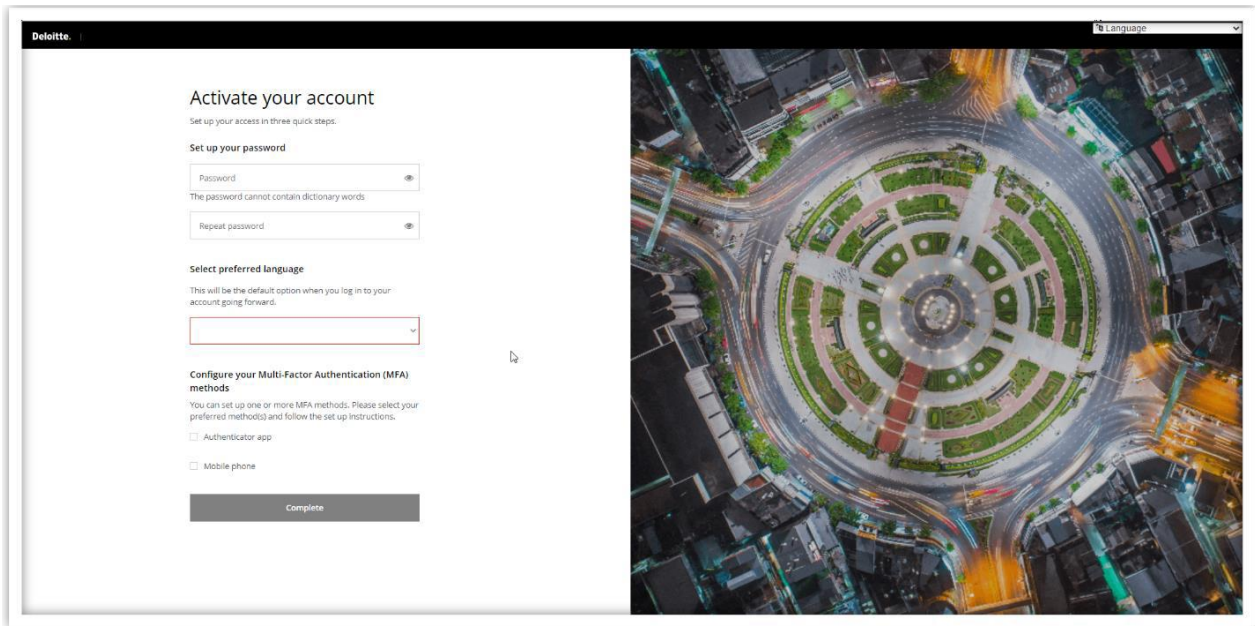

(Figure 19: Enter your registered email and click on "Next")

(Figure 19.2: Click on "Work or school account")

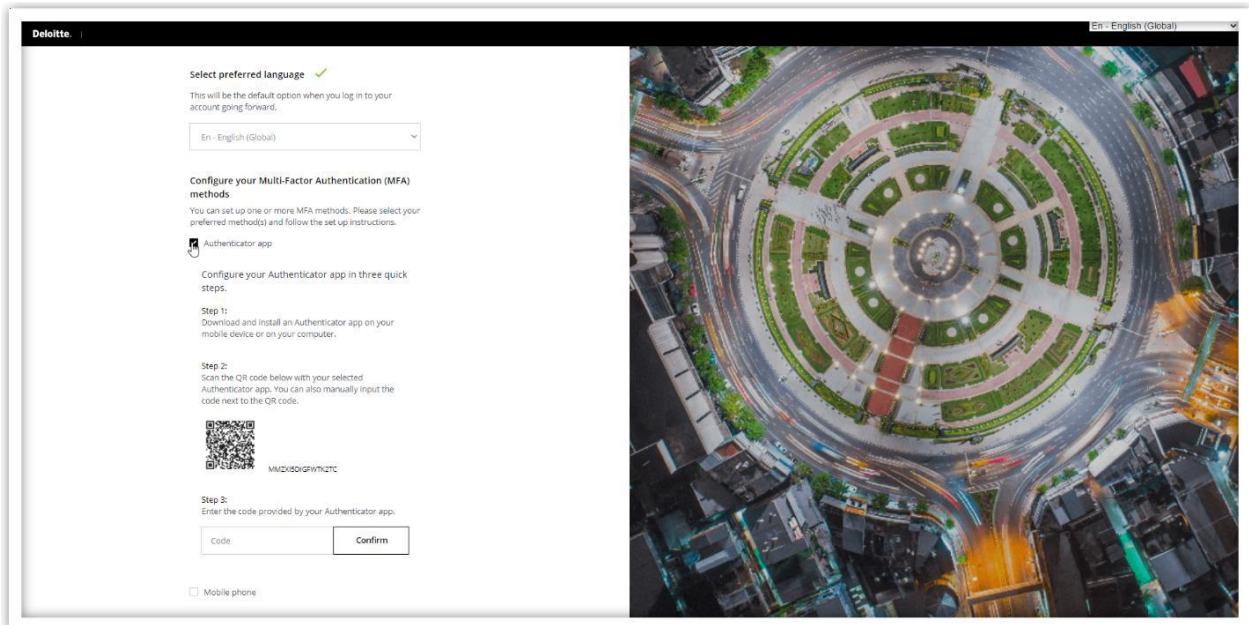

You will be prompted to create a password and select a preferred language. (Fig. 20)

(Figure 20: Create your Password)

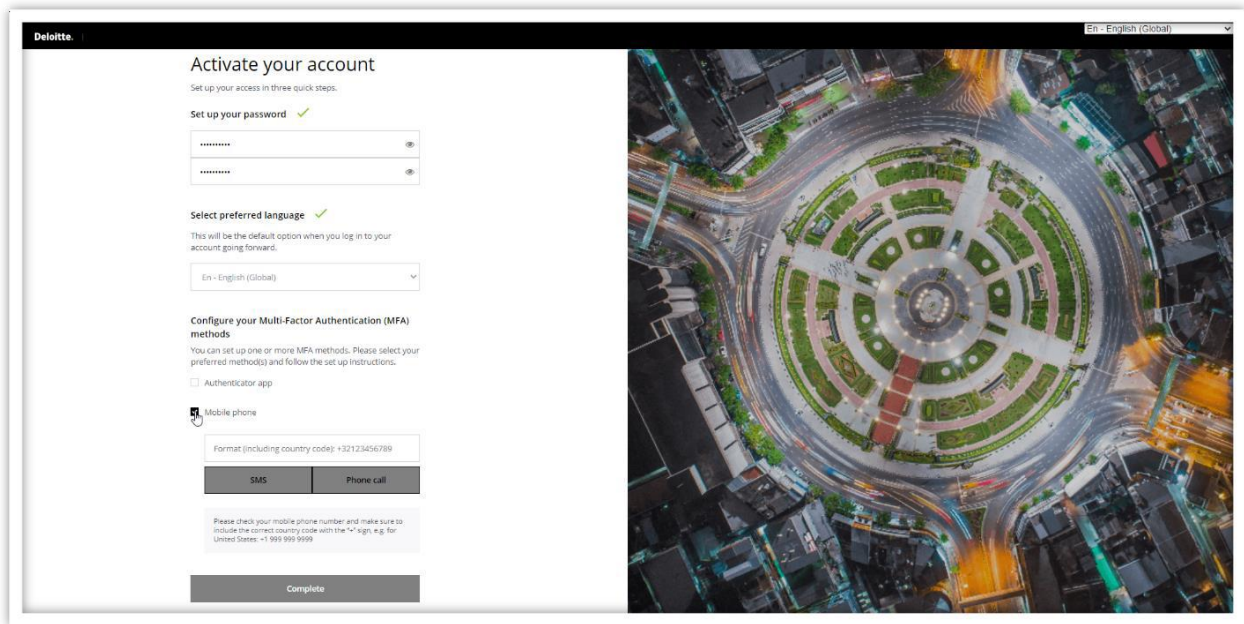

Click on the method of your preference for Multi-Factored Authentication (MFA) to receive your One Time Passwords (OTP's). There are two options.

1) Authenticator App – To configure your Authenticator App follow the on-screen steps. (Fig. 21)

(Figure 21: Configuring MFA using the Authenticator App)

2) Mobile Phone – Enter your mobile phone number and select SMS(Messages) or Phone call as an option to receive your One Time Password (OTP) Code. (Fig. 22)

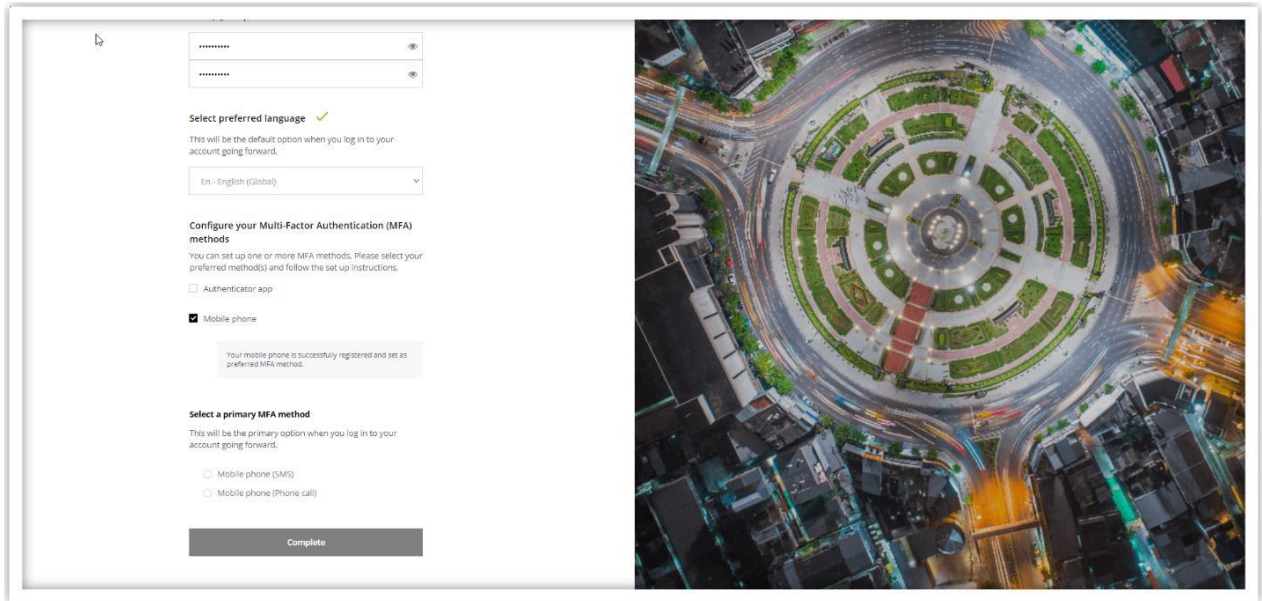

(Figure 22: Configuring MFA using Mobile Phone)

Once you select an option you will get a message or call on your registered mobile number with the OTP code. Enter the code and click on confirm. You will see the message "Your mobile phone is successfully registered and set as preferred MFA method.". You will now get an option to select your primary MFA method. You can choose between the options and click on complete. (Fig. 23)

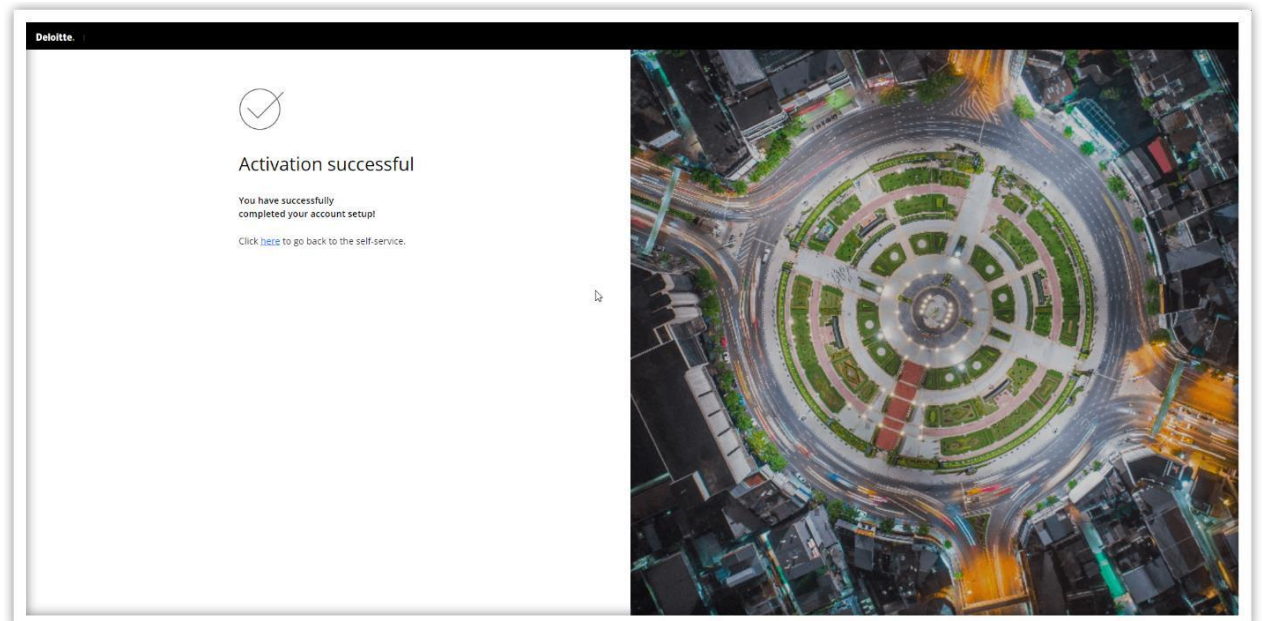

Options for Primary MFA method

- a) Mobile Phone (SMS)
- b) Mobile Phone (Phone call)

(Figure 23: Setting your default MFA method)

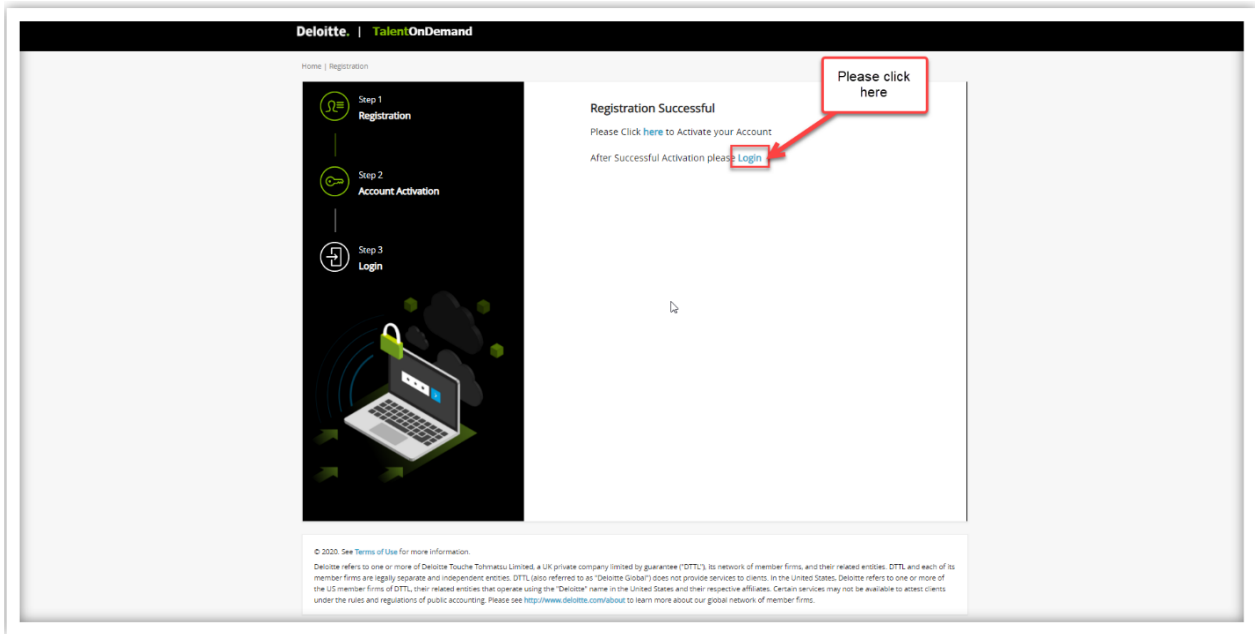

You will get an activation successful message. (Fig. 24)

(Figure 24: Activation Successful)

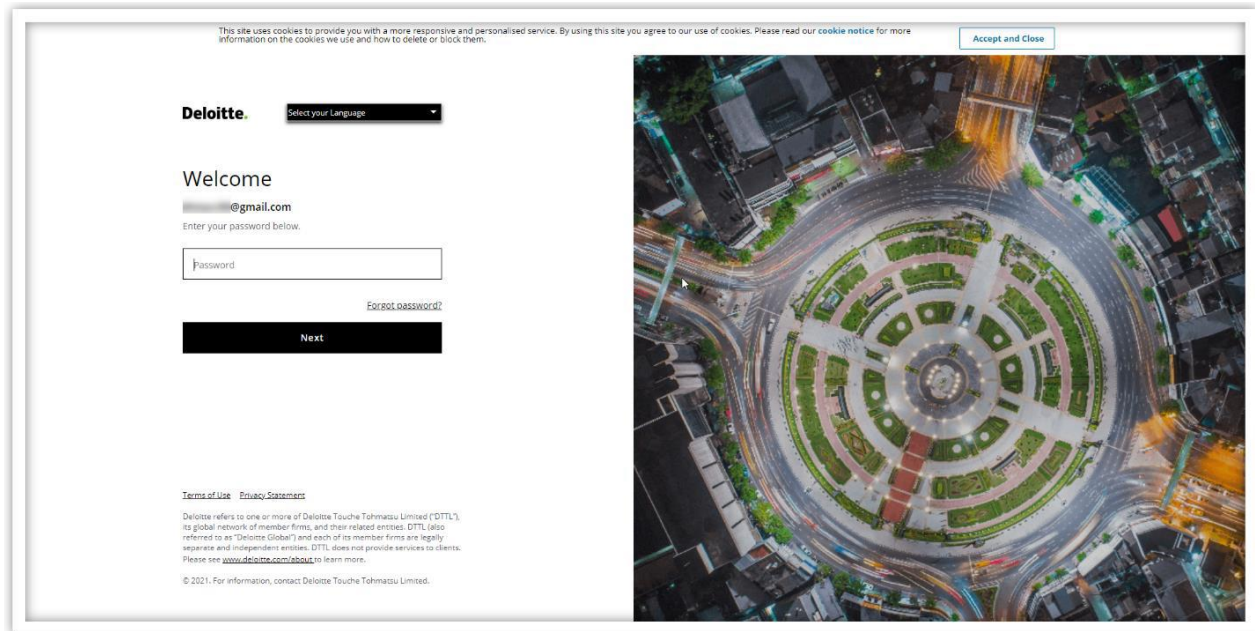

Step 4: Login

Navigate to the Registration successful tab and click on the link highlighted in the word "Login". If you have closed the tab you can click on this [link](#). (Fig. 25)

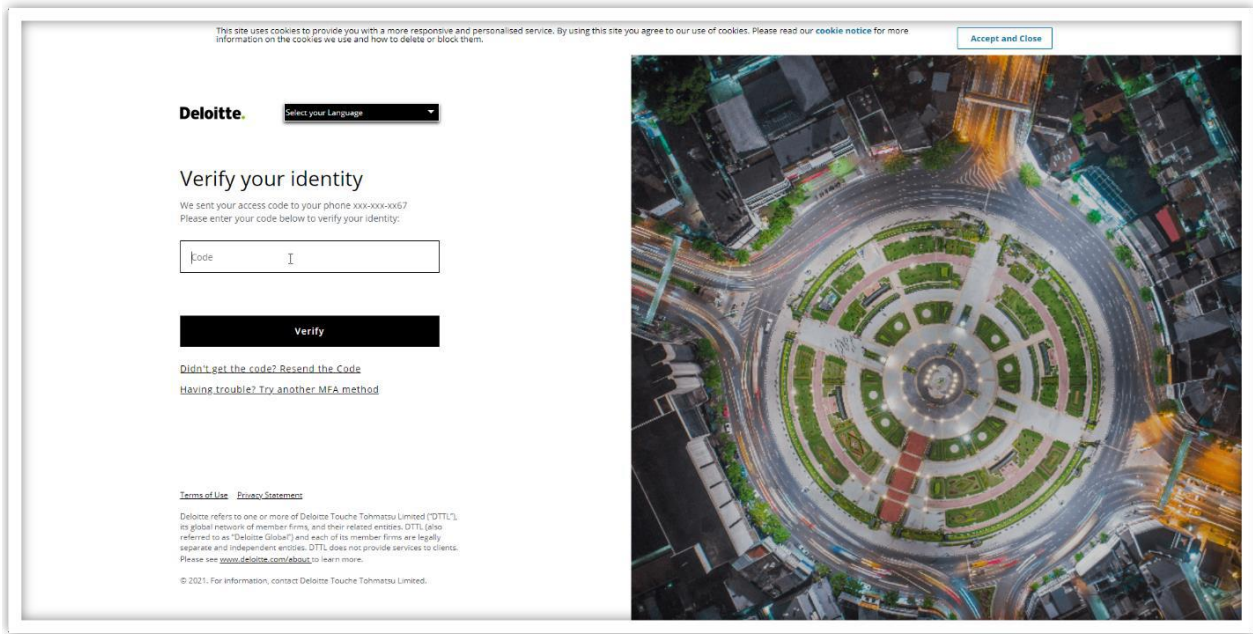

(Figure 25: Successful Registration)

If your account has been activated, you will be asked to enter the password you had created during the activation process. (Fig. 26)

(Figure 26: Enter your Password)

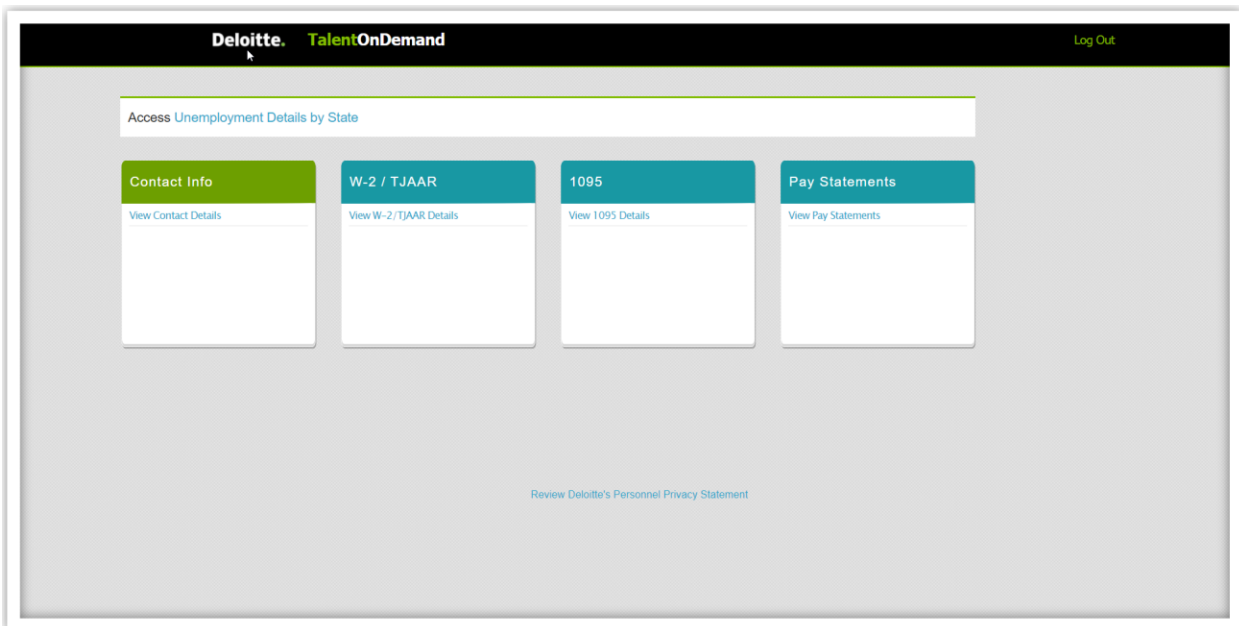

Once you enter the correct password you will need to enter the OTP code (One Time Password). Which you will receive on the platform you had selected as your preference for Multi-Factored Authentication (MFA). (Fig. 27)

(Figure 27: Enter the OTP code you will receive on your preferred Authentication method selected during Account activation)

Once you click on “Verify”, you will be taken to the Alumni Talent on Demand Dashboard. (Fig. 28)

Hurray!!! You have logged in to the application successfully

Unemployment Details by State

Unemployment Details by State

Unemployment Insurance (UI) benefits are available to workers who are unemployed and who meet the requirements of state UI eligibility laws. You may file a UI claim in the first week that employment stops or work hours are reduced.

You will need to provide the state UI agency with the following information for the state to process your claim:

1. Your full legal name;
2. Your Social Security Number; and
3. Your authorization to work (if you are not a US Citizen or resident)

Resources for filing a claim:

- [Deloitte Office Addresses](#)
- [How to find EIN](#)
- [Unemployment Insurance Overview - Covid 19](#)

Click on a state below to review the applicable unemployment details for that state, as well as any additional information that may be required for filing. If you have any questions about UI eligibility or benefits, please contact state agency listed for your state.

ALABAMA

ALASKA

ARIZONA

ARKANSAS
