## Claims help when it matters most

\*Where legally permissible and subject to policy language.

With Aerospace claims expertise across North America, UK and Continental Europe, coupled with support from our local office claims network in over 50 countries, we're able to provide our market leading expertise and excellence service standards to our clients, whilst utilising local support.

In the event of a claim, we will pro-actively handle and investigate the loss. We will confirm the coverage evaluation under the policy as soon as possible, and with our Aerospace Hull Claims Promise, we will pay\* a minimum of 50% of a covered hull claim within 7 days of confirmation of coverage and subject to a signed release signed by all interest parties. Whether it be a hull or liability claim, we work closely with our clients and ensure there is clear and transparent communication and interaction throughout the life-cycle of the loss.
